## ‘BE OUR GUESTS!’ – We proudly present a magical extravaganza!

Welcome back to Lymm High School for this dazzling performance of *Beauty and the Beast*: our most ambitious production so far. The Disney label is hugely misleading. The music by Alan Menken is extremely complicated as it underscores much of the dialogue and the action. This has been a huge challenge for our cast, technicians and musicians who have successfully combined these elements into a stunning performance. We are fortunate to have found the most perfect cast. Little did we know before the auditions that Belle was sitting in her Year 11 class, just waiting to be discovered! We also have a number of new recruits in the band who have risen to the challenge – having been rather overwhelmed in the first few rehearsals! In addition to our first timers, we are so pleased to see our Performing Arts ambassadors returning to the stage. We think you’ll find the comedy duo Gaston and La Fou highly entertaining and it’s worth remembering that they first appeared together as T-Birds in *Grease* in March this year. Our wonderful ensemble and supporting actors and dancers really are the heartbeat of the department and it has been wonderful to see some of them taking on additional responsibility by choreographing some of the numbers.

The technical support and backstage crew is back to full strength and has been lead brilliantly by Kae and Harry, who are old hands at the role – now working on their final production. It is no surprise that many of our Performing Arts students have asked to be part of their team.

It only remains for me to say a huge thank you to the incredible team of teachers who have supported the production: they give up so much of their time to provide such fantastic opportunities to our children.

We hope you have a magical evening; it has been a truly joyful and uplifting experience and we wish you all the very best for an enchanted Christmas and New Year.

Mrs Richards  
Head of Performing Arts
