'A FEEL-GOOD AND MUST-SEE MUSICAL'

It is with great pleasure that we welcome you to Lymm High School for this exciting production of Disney's 'High School Musical'. The team of students and staff have worked extremely hard to bring this to you for what is our very first upper school musical, and we can't wait to share it with you.

Our students have excelled themselves again and are confidently leading the backstage running of the show as well as on stage and in the band. Despite the corny nature of the show, it does have a very positive and relevant message about being brave enough to stand up for who you are and to fulfil your own dreams and aspirations. It also has a very catchy score, great choreography and lots of basketballs! We hope you enjoy it watching it as much as we have enjoyed rehearsing it! And remember...we're all in this together!

Coming soon...Lower School Musical!!

Did you know!

In its early stages, it was going to be a Grease sequel!

A 1999 version of the script was called Grease 3, and it would have followed Danny and Sandy's kids in a plot almost identical to that of High School Musical.

Britney Spears and Justin Timberlake were reportedly in mind for the lead roles.

A HUGE BIG THANK YOU!

To all our wonderful students, staff members, parents and carers for your sheer dedication and commitment to this show.

We hope you have loved working on this production, your hard work has been admirable.

You're a talented bunch of young people, and it has been wonderful watching you all flourish during the process of creating this production.

You will all go on to do wonderful things, or come back even bigger and better for next year's production!
